

I Like You

Sandol Stoddard

I like you and I know why.
I like you because you are a good person to like.
I like you because when I tell you something special, you know
it's special
And you remember it a long, long time.
You say, 'Remember when you told me something special?'
And both of us remember

When I think something is important
you think it's important too
We have good ideas
When I say something funny, you laugh
I think I'm funny and you think I'm funny too
Hah-hah! And I like you because when I am feeling sad

You don't always cheer me up right away
Sometimes it is better to be sad...
I like you because if I am mad at you
Then you are mad at me too
It's awful when the other person isn't...

I like you because I don't know why but
Everything that happens is nicer with you
I can't remember when I didn't like you
It must have been lonesome then
I like you because because because
I forget why I like you but I do.
